Lockdown

I'm doing fine now
With my sessions online
I am here, you are there
from a different room
thanks to Zoom

Its been a year of lockdown
I cant go into the town
Safe distancing, you cant come in
Unless you are wearing a mask

I cant go into touchbase
No friends around at my place
Stuck in the house
Day after day
Dreaming of flying away on holiday

I'm moving out now
Going to a new house
Lots of change
Can be strange
Different places, turning pages

Its been a year of lockdown
I cant go into the town
Safe distancing, you cant come in
Unless you are wearing a mask.....
Cant wait till its gone

I'll learn more at Kingsmore
Life will start. through the door
My good friends
You can come in
I'll give you a tour
