Uncle Morris

Uncle Morris was a truck driver
Cranhill born, in 1918
Fought in Belgium in the 2nd war
Came home changed forever

My Granny's brother
He lived through it all
He lived through it all

Still got a shred of a photograph
He's there at the wheel of a big old truck
He's gazing at me
I still hear him laughing now

My Uncle Morris,
My Uncle Morris
He died in 1976
