Instructions – Makaton Chinese Animal Signs Bingo Game

- Print out bingo board cards and Makaton signs. Cut out each set of Makaton signs and give to each player. Each player should have a Bingo game card with animal symbols on it and a set of Makaton animal signs. The winning game card is the one with all the complete animal signs of the Chinese zodiac. If you have more than 3 players you can print out more game cards and Makaton sign sets but make sure you only have one winning game card. Use the animal signs sheet and use the Makaton signs until someone completes their bingo board to win the game.
