

Simple Mother's Day card

What you will need:

- Card
- Paint
- You may want to use a paint brush for handprints.
- A teabag

How to Make:

- This activity is designed to be completely child led and accessible for all.
- Let your little one use the paint to make marks on the front of the card using fingers, hand prints, footprints or whatever the child would enjoy.
- Add glitter or any other material your child would like to add to make it unique to them.

- Once dry add the tea bag inside with a simple message such as “have a break” or “have a cup of tea on me” and whatever else you may wish to add.

Benefits

- Develops fine motor skills using fingers, hands, and feet to create.
- Working together to create unique artwork.
- Sensory experience, exploring the paint and other materials.
- Making a gift for someone you love, developing skills such as being kind to others.
