

Leaf activity

What you will need –

- Collection of leaves
- Paint & brushes
- Pastels
- Paper
- Pencils
- Crayons

Method:

1. Place your leaves on top of the paper and arrange
2. Trace around your leaves with a pastel, pencil or crayon
3. Build up a pattern on your paper
4. Brush some watered-down paint on top of your pattern
5. Experiment with layering of colours
6. Colour leaves with pastel and press on to paper

Benefits:

- Developing hand and eye coordination.
- Developing fine manipulative skills whilst drawing, painting, moving leaves about.
- Getting outdoors to collect leaves.
- Strengthens hand muscles.
- Joint engagement in an activity.
